As a result of the District's Dignity for All Task Force work,

Detective Tom Grimes (formerly from the NYPD) and an expert on Internet Safety

Will be presenting to parents and community members on this topic of critical importance

**Monday October 17, 2011**

**7:00 PM**

**Felix Festa Auditorium**

**30 Parrott Road**

**West Nyack, New York**

## **INTERNET AWARENESS**

Is an age appropriate presentation offered to Middle School, High School and College students and their parents.

We focus on **SOCIAL NETWORKING** with a clear "street wise" message covering sexual predators, identity theft, sexting, long term repercussions, cyber bullying, cyber stalking and cyber threats.

Thomas Grimes of **NY FINEST SPEAKERS** appeared live on "THE TODAY SHOW" where he discussed Internet Awareness.

**WE BELIEVE IT'S SMARTER TO  
TEACH A CHILD TO USE THE  
INTERNET SAFELY THAN TO  
BLOCK OR  
RESTRICT THEIR USE.**
